

Declaration of Compliance

Description	Material	Article Number
Grass paper wrapping paper	Grass paper (30 % grass, 70 % virgin wood fibres)	190051

Field of Application

The wrapping paper is suitable for bakery products used at room temperatures.

Customer should verify the suitability of the product for its specific use.

The product does not contain PFAS and it is not intentionally added. When analysed for TOF (Totally Organic Fluorine) the result is below the Danish indicator value of 20 mg/kg.

Duni declares that the article meets the requirements of:

- Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27th October 2004 concerning materials and articles intended to come into contact with food and for cancellation of Directives 80/590/EEC and 89/109/EEC
- Commission regulation (EC) No 2023/2006 of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food
- Recommendation No. XXXVI. for papers, packages and paperboards for the contact with foodstuffs of German Federal Institute of Risk Assessment (BfR) (regarding the evaluation of compliance with Article 3 of Regulation (EC) No. 1935/2004)
- Fluorinated substances in paper and cardboard food contact materials of the Ministry of Environment and Food of Denmark dated May 2018

Analysis of the material performed by an independent institute shows the tested samples meet the requirements mentioned above when used within the field of application.
